

2023 Corporate Sponsorship Overview

Helping to make a difficult journey a little easier

Paige's  Butterfly Run

Fighting Pediatric Cancer. Funding Hope.

OUR STORY

Paige's Butterfly Run, Inc. is a nonprofit organization dedicated to supporting and empowering kids fighting pediatric cancer and blood disorders.

Paige's Butterfly Run, Inc. was founded in memory of Paige Yeomans Arnold who passed away in 1994 at the age of eight from complications of treatment from leukemia. The mission of Paige's Butterfly Run, Inc. is to raise funds with integrity to benefit current and future pediatric cancer patients and their families in Central New York through the sponsorship of pediatric oncology research and patient programs at Upstate Golisano Children's Hospital in Syracuse.

The **butterfly** was selected as a symbol of the event not only because she was so fond of them, but because they typified her: beautiful and gentle, but strong beyond imagining.

For over 25 years, Paige's Butterfly Run, Inc. has been a critical part of Central New York's efforts to fight cancer and blood disorders in children.

The Dr. William J. Waters Center for Children's Cancer and Blood Disorders at Upstate Golisano Children's Hospital serves close to 700 children each year while conducting research for tomorrow's cures. Paige's Butterfly Run, Inc. is a key part of these services, as the funds we raise support pediatric cancer research and patient programs.

When you become a corporate sponsor you directly support the patients of today and tomorrow, making an immediate and lasting impact in the life of a local child with cancer.

OUR IMPACT

With your sponsorship, you will have a direct impact on children and their families from across 22 counties, who are fighting pediatric cancer.

Paige's Comfort Kit Fund

The Comfort Kit program provides each newly diagnosed child with a backpack containing a blanket, a water bottle, 2 t-shirts, toiletry kit and \$200 VISA gift card.

Paige's H.O.P.E Support Fund

The sponsorship of H.O.P.E. (Helping Oncology Patients and Parents Engage) events provides several opportunities for pediatric cancer patients, caregivers, and siblings to connect with other families battling a pediatric cancer diagnosis during inspirational and fun activities outside of the hospital in a non-medical environment.

Paige's Family Assistance Fund

Assisting families impacted by financial costs for travel, accommodations, out-of-pocket expenses for food, phone bills, household bills and loss of income as well as unpaid medical bills.

Paige's Fund for Transportation

Upstate Golisano Children's Hospital treats children with cancer from a 22-county area. To decrease this burden, Paige's Fund for Transportation provides families whose child is receiving active therapy and using a private vehicle for transportation gas cards to offset this expense.

Paige's Comfort & Fun Fund for Families

Providing the Child Life Specialists on the inpatient and outpatient floors with the resources for educational and teaching materials about new diagnosis, family meals, celebrations for birthdays and holidays, and to generally lighten their lives when they are in the hospital for treatment.

Paige's Barnes & Noble Book Fair Drive

Through a partnership with Barnes & Noble on Rt. 31 in Clay, community members are encouraged to donate a book to Upstate Golisano Children's Hospital so that patients may pick out a book to take home and keep after completing a treatment.

This is an in-kind donation

OUR IMPACT

Paige's Outpatient Clinic Fund

Providing the Child Life Specialists with the resources for educational and teaching materials, celebrations for birthdays and holidays, and art and craft supplies. These items help patients and families help to provide a safe and fun space, despite all of the challenges in their lives.

Paige's Events and Activities Fund

Sponsors ongoing events throughout the year providing patients and families the opportunity to attend special events outside a medical setting. Families are also able to connect with their peers and find support amongst each other.

Paige's Support of "Champions Again" Fund

Provides special educational programming for pediatric patients.

Paige's Survivor Wellness Fund

The Survivor Wellness Program provides long-term follow up care for individuals after they have received treatment for childhood cancer. It helps cover unmet medical needs related to the effects of treatment including dental, fertility preservation and infertility assessments, medical, and audiology. Paige's Survivor Wellness Fund also provides support for patients to participate in national programs such as Camp Mak-A-Dream and Cancer Connections AYA conference.

Paige's Cancer Research Fund

Funding research at Upstate Golisano Children's Hospital in applications for pediatric oncology, both in the laboratory and through clinical research studies.

Paige's Bereavement Fund

Provides financial assistance to families towards funeral costs and grief counseling after their child has passed. Paige's Bereavement Fund also supports the annual remembrance service which honors all the children who lost their battle to childhood cancer at the Dr. William J. Waters Center for Children's Cancer and Blood Disorders.

Paige Yeomans Arnold Memorial Endowment

A permanent endowment established at the Upstate Foundation used to support the Department Chair of Pediatric Oncology at Upstate Golisano Children's Hospital.
